Conneaut Valley Shorthorn Dispersion Sale

VALLEY RUTH 1141853

October 9, 1924, Pennside, Penna.

INTRODUCTION

In presenting this catalogue to our friends, the Shorthorn Breeders of America, we do so with a feeling of regret that we have been forced to come to the conclusion to sell our valuable breeding herd, owing to the ill health of our Mr. Morris Schaffner, who has always looked after the cattle and who is contemplating a trip abroad to regain his former strength and vigor.

Realizing that conditions are not of the most promising kind among breeders of this country, we are presenting this herd with their working clothes on, as they will be taken out of pasture the morning of the sale.

The majority of the breeding cows are as good as money could buy when they were purchased. The young stuff is almost all bred by us, and are sired by the great Argonaut. A few of them are by Lavender Radiant, bred by Mr. F. Harding, sired by the great Lavender Sultan.

GUARANTEE.—We fully guarantee these cattle to be absolutely right in every way and respect. Cows with calves at foot are recognized as breeders, and all the young cattle, if not in calf, are guaranteed to be breeders. All of them are guaranteed to pass the tuberculin test sixty days after the sale, provided they are not housed with cattle that have not passed the tuberculin test.

The breeding of Shorthorn cattle, to us, has been a pleasant experience. We have sold cattle in the good old days for as much money as any one, but nothing has been of greater asset to us than the friends we have gained and retained all these years.

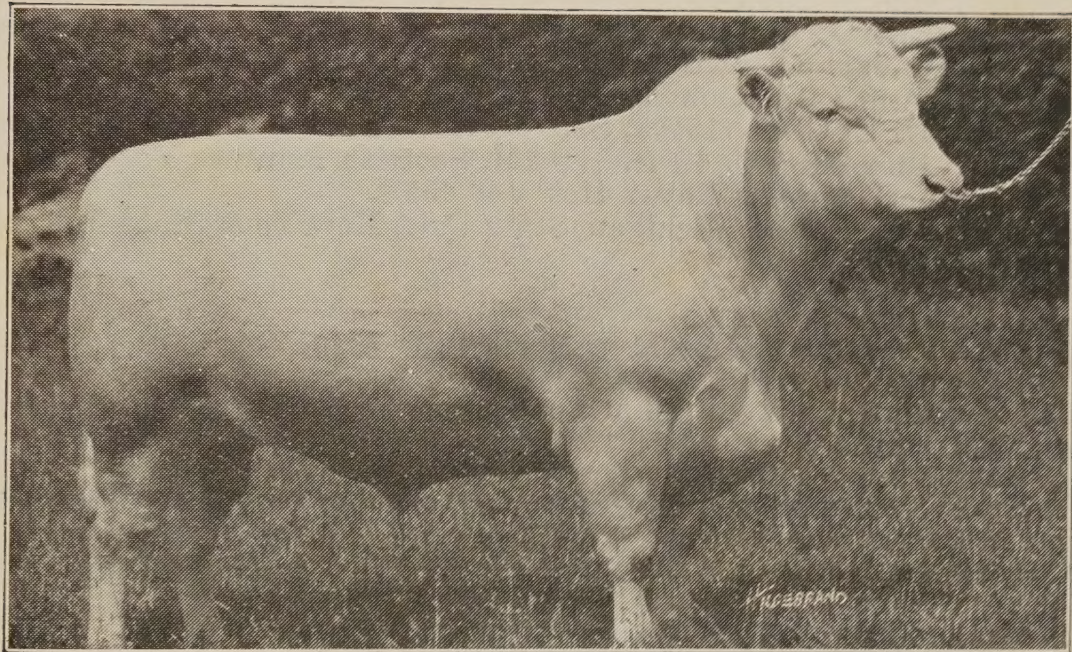

We regret very much to be forced to quit the business at this time, but strongly hope that we may be able to enter again as soon as our Mr. Morris Schaffner regains his health.

M. & J. SCHAFFNER.

P. S.—All the cattle will be taken care of and loaded as soon after the sale as possible.

All trains stop at Pennside. Connections may be made from Erie in the morning at 6:40 on the Bessemer and 7:30 on the Pennsylvania. The train from Pittsburgh will arrive at 12:35 and the sale will not start until after the arrival of that train. Trains for Pittsburgh and Erie will leave in the evening.

There are good automobile roads within a mile and a half of the farm. The farm is located twenty-nine miles southwest of Erie, seventeen miles from Conneaut Lake Park, twelve miles from Conneaut, Ohio, and seven miles from East Springfield off the Chicago-Buffalo highway.

Red Bull Calf at foot.

Rebred to Lavender Radiant, March 15, 1924.

Has been a good cow and that is the reason that we kept her.
